BEXLEY painted hardwood willow

DOVER maple karoo

The perfect wood tone complemented by clean lines and contemporary pulls and accessories indulges your desire for unique style without draining your pocketbook.

WALDRON painted hardwood
poolhouse & alpine

Clever cabinetry applications and complementary paint colors add personality. Open shelving and a base cabinet turned doggy haven serve as finishing touches for a totally unique arrangement. Get creative and have fun with your space!

LAUTNER painted hardwood iceberg

The subtle details of this traditional door create a space that exudes comfort. With a beautifully balanced mix of open shelving and closed storage solutions, and perfectly appointed finishing touches, you will look for reasons to linger in the kitchen.

▲ wall three drawer

DARWYN maple buckboard

Cleverly placed storage solutions add functionality to this kitchen and breakfast nook combo. Rustic touches and a dining banquette make the space cozy and casual.

◀ two drawer base ▲ wall spice pull-out

ARBOR rustic hickory buckboard

Prairie-inspired cabinetry and rustic choices in hardware and finishes come together to create a comfortable yet sophisticated aesthetic. The wood hood and country sink base add visual interest while open shelving provides an opportunity for personalization.

SEDONA painted hardwood french vanilla

The epitome of “bathroom goals,” this inspired, refreshing space offers an abundance of hidden storage and open shelving. The simple, trend-forward vanity is practical yet polished, adding to the spa-like feel.

▲ tall cabinets feature custom choice configuration

KENOSHA maple porter

Coordinated and organized, this two-for-one space collects stray shoes and wandering backpacks while giving laundry essentials a stylish space to call home. Unique cabinet applications and open shelving give a fresh face to the daily grind.

DOVER painted hardwood galaxy

A statement-making color combined with classic Shaker style forges a harmonious union that is both timeless and on-trend. The use of earthy, grounding neutrals lends a sense of drama to an otherwise simple space.

OVERLAY OPTIONS

TRADITIONAL OVERLAY

Door and drawer fronts show more of the cabinet frame behind them.

FULL OVERLAY

Doors and drawer fronts cover more of the cabinet frame behind them and appear close together in a cabinet run.

MODIFIED FULL OVERLAY

Doors and drawer fronts are the same width as they are in Full Overlay, but height adjusted to allow 1" of the cabinet frame exposed at the top of wall and tall cabinets for easier placement of crown moulding. Doors and drawer fronts appear close together in a cabinet run.
